the Amildar or the Dy. Amildar of the Taluka the Vice-President. The Sub-Dy. Assistant Commissioners have thus no status on such Boards they can however perform and exercise on the Presidents name such functions and such powers respectively as he may delegate to them in the minor Municipalities included within their ranges (Vide G O No. 12934-41 dt 1-4-1904 & G.O No R1786-97 dt 22-12-1903)

2 The Dy. Comr. Considers it desirable that Sub-Dy. Assistant Commissioners should be the Presidents of those Boards with the view that they are the Presidents of the Municipal Councils within their Sub-Divisions, Considerations under the Municipal Regulation, it is a fourth for consideration whether the Order of April 1905 may not now be reconsidered and the same status allowed to them on the non-regulation Municipal Boards. This measure will not, it is respectfully submitted, tend to minimize the responsibility and interest of the Amildars in Municipal matters

municipalities governed by the Regulation of 1906. As regards non regulation municipalities, the status of an Asst. Comr. placed in charge of Taluks is defined in the orders of 11th Oct 1900 and 1st April 1901. As these municipalities should either be converted into Unions or brought under the Regulation, it is necessary to modify the two orders referred to above and make the order of 1908 applicable also to non regulation municipalities.

Sir,

I have the honor to submit herewith copies in marginally noted correspondence between the Asst Divisional Officer of Nanjangud, regarding the subordinateship of non regulation Municipalities - Amildars (Mr. K. Rama Rao) considers that Sub Division officers are Presidents of only Regulation Municipalities, whereas the latter states that while the Government delegated to Sub Division Officers the functions of a resident under the new Regulations, all the municipalities other than District Head-quarters will come under the powers of the Sub Divisional officers. The Government order No R 1486-97 dated 22nd December 1903, empowering the Assistant Commissioners in charge of Talukas to exercise all

all the powers of Presidents in all Municipalities subject to the general control of President has not been superseded by Government Order No. 3079-87-MM 150-08-1 of the 22nd September 1908, and this has given rise to a doubt in the matter I consider it desirable, in the interest of Municipal Boards, that the Sub Division officers should be Presidents of all Municipal Boards whether Regulation or non Regulation - within there respective Sub Divisions If my view is correct and is otherwise acceptable to Government, I request that a ruling may kindly be issued on the subject

The attention of the Amildar of the Narasapur Taluk is drawn to the provisions of Government Order No. 3079-87 / Rml 150-08-1 dated 22nd September 1908 in para 11 and Subpara 4 thereof it is clearly stated as follows "one important change introduced in the constitution of Municipal Councils at places other than District Head Quarters Towns is the appointment of the Sub Divisional Assistant Commissioners as presidents. Though by this arrangement Deputy Commissioners cease to have direct connection with these Municipalities which they will continue to have general supervision over these bodies under sections 173 to 175 of the Municipal Regulation

2 In suspension of the existing orders the Government have issued these orders and in consequence noticed the other day that his presence at the Taluk Municipal meeting was not taken note of. The Vice President will explain the reason for doing so and to ensure any such thing in future meetings it is desirable that to the contrary in future meetings it is desirable that the name of the President should be noted in the list as present or absent as the case may be and business transacted in the usual course

Report

I respectfully beg to invite the attention of the District officers to the fact that the Proceedings are to be in as follows -

2 - The Amildar as Vice President of the Municipalities seems to think that the Sub division officer is not the President of the non Municipalities and that the Government order quoted in the memo of undersigned is not applicable to the non regulation municipality like Thalkad &c. . There is no separate regulation for the non regulation municipalities and the undersigned thinks that while the Government delegated to the Sub Division officers the functions of a President under the new regulation All the municipalities other than District Head quarters came under the powers of the Sub division officer as President subject to the control of the Deputy Commissioner

3 As the Amildar expresses his doubts even though the method to be adopted by him as shown to him, undersigned has no other alternative but to submit the papers for orders of the Deputy Commissioner The Government Order quoted above has been sent to this office for information and guidance and it was upon that order that the above memo was issued 17/20 11 1909
